MISC ITEMS

Minnie's Food Pantry was founded on April 1, 2008 with just 2 cans of corn and one month's rent, by Dr. Cheryl Jackson to honor her mother Minnie Ewing. For many families in North Texas, Minnie's Food Pantry has become the first line of defense in the fight against hunger, with a mission to provide healthy meals, educational resources and red-carpet treatment to every person that we serve.

At Minnie's Food Pantry we know that hunger does not discriminate, and because of that, we aim to serve every person, regardless of race, ethnicity, religion and/or geographic areas.

Minnie's Food Pantry proudly serves Wednesday-Saturday from 8:30AM-11:30AM, distributing non perishable food items, in addition to fresh meats, fresh produce and dairy products.

Since inception, Minnie's Food Pantry has grown exponentially, from a small 500 square foot facility, serving 50 families a month to serving 5,000 individuals a month, providing over 11 million meals to date, and serving more than 3,121 NEW families in 2018 alone.

Minnie's Food Pantry delivers to 4 senior living facilities each month, partners with the Dallas VA HUD to serve our veterans who have so selflessly served our country, and works with schools to ensure that every child receives a meal during the school day-regardless of the monies in their lunch account.

As a non-profit organization that receives no government funding, Minnie's Food Pantry depends on people within the community to answer the call and join the fight to reduce hunger here in North Texas. Whether you are a corporation, individual, organization or small business, hosting a drive benefiting Minnie's Food Pantry allows us to ensure that every person that walks through our doors receives the items they need to prepare healthy and hearty meals for their loved ones.

STEP ONE:

GOAL SETTING

WHAT DO YOU HOPE TO ACCOMPLISH?

At Minnie's Food Pantry, every donation makes a difference in the life of someone in need, whether it be canned goods or monetary gifts. It is important to answer the following questions before getting started:

- How many meals do you hope to provide through your food drive?
- Will you be collecting monetary donations as well? (If so, please note that \$1=3 meals to a family in need).
- Where will you be hosting your drive and who will be participating?

SCHEDULE A DELIVERY!

You've done the work! Now it's time to see first hand how your drive will benefit the families we serve at Minnie's Food Pantry!

Donations should be dropped off during the following days and times:

Monday, Wednesday-Saturday between 8AM-11:30AM.

Please be sure to reach out and schedule your delivery. We want to make sure our team is ready to help unload and process your donations!

Minnie's Food Pantry can coordinate pick ups for drives exceeding 1,000 pounds (1,000 can goods) within Collin County (assuming circumstances permit). Pick Ups will occur between 8AM-12PM and must be scheduled at least 24hrs in advance.

YOUR RESULTS

Upon delivery, our team will process your drive by weighing each box you bring in. This helps us calculate how many meals will be provided through your donation. We will provide your team with a certificate of thanks that you can proudly display to show how you made a difference through your food drive benefiting Minnie's Food Pantry!

TIPS & TRICKS

CREATE A THEME

Bring some excitement to your drive by tying in a theme to make it more fun and engaging for all! Some ideas are below!

- **Together we "CAN"** : Encourage your group to bring in canned goods
- **"MEAT" The Need**: Focus your drive on canned meats such as tuna, Vienna sausages, canned chicken
- **Kids For Kids**: A great way to get the young ones involved! Have your kids collect their favorite items to share with kids in need.
- **Food For the Holidays**: Drives hosted around Thanksgiving and Christmas can be geared towards collecting items needed to prepare complete holiday meals!

MAKE IT COMPETITIVE

Who doesn't love a HEALTHY competition? Departments and classes can compete against one another to see who collects the most items. Motivate your group with incentives like casual day at work, a pizza party or even extra time off!

BE OBSERVANT!!

Minnie's Food Pantry operates on the concept of providing items that we would serve to our own loved ones. There are some items that Minnie's Food Pantry simply **CANNOT accept** such as expired goods, opened products, and items with severely damaged packaging. **If you have have a question about the integrity of items collected, please reach out to us.**
