Free College Application Assistance

Tyche Academy provides peer advising and assistance with college applications. In partnership with Minnie's Food Pantry, Tyche Academy is offering 10 completely pro bono packages that include 2 hour-long consultations every month for the duration of one year.

From Tyche: When your application material is carefully crafted in the best possible way, you'll have an extra element of good fortune and luck in the process! Remember that "fortune sides with he who dares" – dare to choose Tyche.

Community Partner Paid Internship Opportunity

We're looking for motivated, hard-working, and bright high school grads from age 18 to 22 for whom college isn't an option.

- This person may not have good grades and/or has attendance issues, possibly from missing school to take care of their family
- High energy, smart, driven
- School isn't a good fit
- Unaware of options/opportunities
- First-generation immigrant

We're happy to connect you with our partner to see if it's a good fit. You will need access to your own transportation.

Please email zoya@minniesfoodpantry.org to get connected with the above resources.
