TEENS & YOUNG ADULTS

Community Partner Paid Internship Opportunity

We're looking for motivated, hard-working, and bright high school grads from age 18 to 22 for whom college isn't an option.

- This person may not have good grades and/or has attendance issues, possibly from missing school to take care of their family
- High energy, smart, driven
- School isn't a good fit
- Unaware of options/opportunities
- First-generation immigrant

Participants will be full-time employees with full-time benefits. Part of their 40 hours/week will include taking classes at Collin Community College. Benefits, in addition to health insurance, 401k, and PTO, include perks (discounted lifetime memberships, Rangers game tickets, etc.).

Best of all, TVG makes investments in employees' personal/professional growth. Examples include coaching (leadership, strengths, etc.), various social/team building events, and volunteer opportunities.

We're happy to connect you with our partner to see if it's a good fit. You will need access to your own transportation.

Please email zoya@minniesfoodpantry.org to get connected.
